Subject: Approval of Periodic Plan Review and Updated Reclamation Surety, Castle Valley Stone LLC, Brown's Canyon Rock Quarry, M/043/0017, Salt Lake County, Utah

Dear Mr. Sagers:

On April 6, 2015, the Division of Oil, Gas and Mining received a certificate of deposit in the amount of \$17,300.00 which increases the amount of reclamation surety being held for the Brown's Canyon Rock quarry from \$153,700.33 to \$171,000.33.

The Division approves the modified Notice of Intention to Commence Large Mining Operations (Notice). Final approval was contingent on receipt of the increased surety. A copy of the updated Notice, stamped approved, is enclosed for your records. The reclamation surety will not need to be reviewed again until the year 2020, unless the Notice is amended or revised.

Thank you for keeping the reclamation surety current. Please contact Leslie Heppler at (801) 538-5257 if you have any questions concerning this letter.

Sincerely,

Paul B. Baker
Mining Program Coordinator
